

The City of Edgewater Grant Policy is created to provide funding and in-kind services fairly, equitably and consistently to the community. The City supports charitable and public service organizations that enhance and serve the Edgewater community through a grant application program.

Eligibility Criteria

A. To be eligible for a grant in an amount less than \$500, an organization must:

1. Serve the people of Edgewater in the areas of health and human service, such as housing and senior resources; art and culture; education; environment; or sports
2. Submit a letter explaining how the grant would benefit the Edgewater Community.

B. To be eligible for a grant in an amount greater than \$500, an organization must:

1. Serve the people of Edgewater in the areas of health and human service, such as housing and senior resources; art and culture; education; environment; or sports; and
2. Have tax exempt status under the provisions of section 501(c)(3) of the Internal Revenue Code or be registered as Colorado nonprofit organization with the Colorado Secretary of State.
3. If the organization received past support from the City, whether cash or in-kind, submit a report with the grant application: (1) statistics concerning the Edgewater population served by the organization; (2) a description of what was accomplished with the grant; and (3) the extent to which those accomplishments met program goals.
4. Complete the attached application and submit all supporting documentation.

Award Criteria

After considering the degree to which the purpose of the grant is consistent with and/or supportive of the goals and policies of the City, the City Council shall evaluate grant requests based on the following criteria:

1. The degree to which the grant would benefit the Edgewater community and the public generally.
2. Whether the organization demonstrates sound fiscal management practices.
3. Whether the organization demonstrates impact or past success.
4. Whether the grant would duplicate existing programs or services.
5. Whether the Board of Directors or other leaders of the organization work to advance the organization's mission through other fundraising or revenue-generating activities.
